cases and commentary needed for success in property law exams oAeo Students remember more with the help of short and concise paragraphs, bullet-pointed summaries and tables  
**Understanding Corporate Law** Arthur R. Pinto  
2013-09-04 Understanding Corporate Law is designed to assist students by offering a clear and comprehensive treatment of key concepts in corporate law. It is a popular study guide for students and has been used by professors to supplement their casebook or as recommended reading. Significant business, economic, and policy issues are highlighted in connection with a thorough analysis of the important cases and statutory provisions used in the study of corporations. It includes the major theoretical approaches used in current corporate law literature. In each chapter, the authors identify important policies and discuss the relationship of the law as it has developed to those policies. Statutory issues are covered under both the General Corporation Law of the State of Delaware

and the Revised Model Business Corporation Act. Understanding Corporate Law discusses developing case law including the Delaware courts' use of good faith in fiduciary duty cases. The book also reflects the corporate governance issues raised by the corporate scandals and the passage of the Sarbanes-Oxley Act of 2002. A section of Chapter 5 deals generally with that Act, but its impact is also covered in relevant sections throughout the book. This Understanding treatise is designed to be used in conjunction with all of the major corporate law casebooks.

Corporations Law Colin Anderson 2013-12-18

Corporations Law is an accessible text that covers the full range of topics taught in an undergraduate corporations law course. It adopts a structure which helps students develop a greater understanding of the core subject. Using a straightforward style, the authors identify the key areas to study and help demystify even the most complex legal concepts. With a particular

emphasis on problem solving, Corporations Law allows students to develop their critical thinking skills and practise answering legal problem questions. Features

- Suitable for undergraduate core units running in 1st and 2nd semester
- Strong pedagogy provides a more accessible learning framework
- Suitable as a practical up-to-date principle book
- Includes extensive new online support materials for both students and lecturers

Business and Corporations Law Jeff Fitzpatrick 2019 Annotation. Business and Corporations Law 4th edition introduces students to the foundations of the Australian legal system and the principles that govern contract and corporations law, business structures, and management of companies. It provides an overview of financial reporting and auditing and the foundation concepts pertaining to receivership, voluntary administration and liquidation. This book also explains in clear and plain language the nature of corporate membership and the duties of directors tasked with running the business affairs of the company. To support learning of course content within the broader business context, this title includes chapter summaries, margin notes, key cases and legislation, diagrams and flowcharts. It also comes with a suite of online resources for both students and lecturers. Features Chapters 8, 9, 10 and 11 have been revised extensively, with some material being redistributed between

chapters to achieve parity across the book's twelve-chapter format. New material on directors, company secretaries, equity versus debt financing, shares and debentures, oppressive conduct and the whistleblowing protection regime has been added. Additional internet references for further reading and end-of-chapter questions are included where appropriate.
